Moeting of the Aldermanic Street Com-THE NASSAU STREET JOB—WIDENING OF LAURENS

widen line street on both sides from Cedar street to Beck-nan, and on the eastern side a short distance above sekman, cutting off from twelve to fifteen feet on the restern side, according as might be required to make the rest straight and of a uniform width, and a like slice on to other side, for the same object. On the wostern side, owever, it is proposed to leave the Hanan Building un-sturbed, as also the block between Liberty and Cedar restis; and on the eastern side the petitioners omit the seek between John street and Maiden lane in their gene-it plan af demolition.

A. Tomas appeared before the committee, representing property on Laurens street, to speak against the project. He asked a postponement of the subject, or at least of action on it, until he would have time to present a remon-strance against it, as a majority of the parties most in-tercested in the street are decidedly opposed to the altera-

Alrike Moore spoke in favor of widening Laurens treet. He said its widening would be a great relief to be traffic in that part of the city, and that it is a pecessary improvement on this account. He denied that

and that if such a scheme was consempassed to the pose it.

William Ward spoke in opposition, denying that the widening would be an improvement, and alleging that it would cost much more than its value. He would not desire to be assessed for much a uscless atteration.

Massement Davius thought that the arguments used against the improvement were in its favor. If it was a speculation, as was stated, then it must be considered as a benefit, or such a speculation would not be made.

Other speakers followed at great length, but no new views were put forward. The committee adjourned to held another meeting at a future day, of which notice will be given.
